

Waupun Drift Jumpers Meeting

November 15th, 2021

7:30 pm @ Chester Town Hall

Food @ 7:00 p.m.

The club is beginning some preparation for the upcoming riding season. Some areas are mowed, some land has had fall tillage performed on it, some trail has been mulched, so soon we should be able to start putting in signs. Monday November 15th is our next club meeting. Some of the biggest topics are that trails still need to be put in, members need to renew their membership soon in order to get your discounted trail pass from the AWSC. Some events coming up are as follows: Friday and Saturday (Nov. 19th and 20th) the club will be having a fundraising brat fry at Mike's Wild Boar Liquor Store in Waupun. We are looking for helpers to cook and sell the brats/burgers. If you are a deer hunter, stop by to pick up some lunch! We MAY to have both Tucker's and the 2 drags there. This is an opportunity to get our drags out for the public to see who is supporting the club by advertising on the drag. It will start at about 10 A.M. and go until the food is gone or about 5-6 P.M. December 4th 9 a.m. we will have a groomer operator meeting. December 6th we will have the Club Christmas Party at the Brittain House which will open for us that night. We will need an RVSP of those attending and ages of any youngsters attending. We will have more details at the meeting. We will discuss whether or not we will be partaking in the Waupun Parade this year as it is December 10th. February 20th FDL County Association Ride. The Winter Jam and cash raffle drawing is set for February 26th at Bridges at the Rock. If we have enough snow, we will try to organize a club ride, too.

PLEASE MAKE SURE YOUR MEMBERSHIP IS CURRENT. We have had more than 50% of our membership renew already! Many have renewed on our website (yes you can do that as well as pay your dues or even make donations should you feel so inclined.) We have also had several NEW members join via the website (Welcome to the Drift Jumpers by the way!) When Renewing on the website, we have seen a lot of PayPal renewals, it is NOT necessary to use PayPal. You can use a credit card but still push the button "proceed to PayPal. Then you will be given the option to pay with PayPal OR pay with debit/credit card. I hope this is not too complicated. If you are experiencing problems, please let me know! If you have sent in your membership, please be patient at this time of the year we are only submitting to the AWSC every 2 weeks or so. If we get larger numbers of memberships submitted, we will send them in more frequently. We also check the clubs P.O. Box at least 1 time per week and sometimes more. Please notify us if you are a member from another club, you must also let us know what

club you are a primary member from that way one of the clubs will not add you to the AWSC roster which will prevent you from getting doubled up on AWSC mailings.

Come to the meeting to GET YOUR WINTER JAM Raffle tickets, sign up for trail installation and get more information regarding the Winter Jam, Cash Raffle, DCASC calendar Raffle, other trail installation info, Brat Fry AND MORE! The Groomer Operator's meeting will be open to anyone in the club BUT it will be mandatory for anyone interested in grooming or even wanting to learn. Follow us on Facebook! I am working on the website to get it as current as we can get it; the web address is www.waupundriftjumpers.org please let me know of corrections, ideas, and changes, by using the "Contact Us" tab on the website. Remember your AWSC #'s are on your WSN magazine label AND you can visit the AWSC website to find your AWSC Membership # as well as your membership status.

Thank you!

See you at the meeting!!

Butch Guenther, Secretary.
